INNOVATE RECRUITMENT

www.recruitment.software

A unique and tailored recruitment system to manage your recruitment

Our services can be combined with the latest technology to provide the tools you need to recruit more efficiently and collate key reporting information to support your recruitment objectives.

You Attract...

Advertising your jobs is quick and easy. You can not only post jobs on your own website, brief your agencies, **advertise on multiple job boards** and share vacancies across **social media in a matter of minutes** but our ATS can also automatically promote your vacancies to **thousands of jobseekers** too.

You Search...

A simple login and registration process will help you quickly build your own **searchable talent pool**. Candidates can be searched by keyword, CV or your own bespoke fields and managed in a manner that **supports your future recruitment needs**.

You Manage...

From vacancy authorisation right through to onboarding our software is built to **provide the tools you need to manage every stage of your recruitment process** and achieve your recruitment objectives. As a modular solution, we allow you to create a **unique solution** with the option to add new functionality as you require.

Control

A low cost recruitment service to help you fill vacancies across your organisation

We adopt a unique approach to recruitment that will help you hire the best possible candidates by promoting your vacancies to both passive and active candidate and ensuring a first class candidate experience is delivered every time.

We Attract...

We use sponsored and featured adverts on the **UK's leading job boards and aggregators**, paid for adverts on LinkedIn, advertise on our own website, post on social media and send over **1.4 million job alerts every month** to maximise the exposure of your vacancies.

We Search...

Our skilled team will conduct an extensive search of our own database of **1.5 million registered candidates**, the **biggest CV databases** offered by **job boards** and **aggregators**, the LinkedIn Recruiter package and social media profiles to proactively find candidates with the skills you need.

We Manage...

Our agency style support service will help you identify top talent **quickly** and deliver an **unrivalled candidate experience**. Managing candidates throughout every stage of the process on your behalf, we will sift your applications, book and arrange all interviews, provide regular feedback and status updates and **deliver a positive image** of your organisation to each and **every candidate**.
